BOARD of EDUCATION

THOMAS P. HUDSON
President

AMONG the many problems which the Board of Education has to solve is that of furnishing a high school that will be adequate for a growing community. This has been the main concern of the seven members of our board who have spent countless hours in the planning of our school. The new building has been progressing nicely and should be ready for use in the fall of 1954. We students are grateful to the members of the Board of Education for their interest in our welfare.

Mr. M. L. Conrad has moved to another city this year, and Mr. William Hoskins was chosen to take his place.

H. E. UNDERBRINK

PRINCIPAL

At some time in our life at L.F.C.H.S. we have all been grateful to Mr. Underbrink for his sound advise and kind assurance. He has been our friend and leader. Mr. Underbrink has ably guided the high school and its students for 32 years. Thus when his resignation for retirement next year was announced, both the students and community felt regret. However we all wish him happiness in his future interests.

ASSISTANT PRINCIPAL

Aiding Mr. Underbrink in the management of the school is Mr. Bergfald's main job as assistant principal. He is well known to us all as the person who hears our excuses for being absent or tardy. Besides these duties he also advises senior boys' homeroom B, Pep Club, coaches the class plays, teaches speech and is the senior class principal.

THE sound of music swells in the air as the seniors pass in review. With heads held erect, for they have much to be proud of, they look forward to the events yet to be met. But it is with a feeling of sadness that they must pass by and leave forever their high school days. Still the memories of the past year's activities linger and are cherished. First was Homecoming—the parade, football game, and pretty queen Leslie with her court. Then came the Christmas dance, "Sno-Ball", with all the busy committees at work to make it the success it was. Next, the seniors put on a thrilling mystery, "Seven Keys To Baldpate." How well the cast acted in that play! A note of sadness was struck this past year with the loss of one of their classmates, Henry Stephen. However, his quiet manner will always be remembered by them. Finally graduation came—the speeches, caps and gowns, diplomas, and the final farewells. The parade had passed the school, but the future lay wide before them.

JUNIOR CLASS

The Class of 1954 started its junior year with a float in the Homecoming Parade. Then they planned for their play which was given in the latter part of November. This was a family comedy called "Growing Pains" about a tom-boy who grows up.

Class rings were discussed and several of the juniors purchased them. In January the juniors sponsored an all-school dance. It was called "Candy Capers" and featured a lollypop tree and a giant ice cream soda in the center of the dance floor. This year also included a prom in the juniors' activities. It was held in

the Hotel Moraine on the Lake, Highland Park, Illinois, on May 23.

The class spent a great deal of time studying about qualifications for jobs or further schooling after graduation. Discussions, movies, and talks were given in the homerooms on this subject. In the spring the students planned courses for their senior year, elected officers and social committee and student council representatives.

SOPHOMORE CLASS

The sophomores were very happy to return to LFCHS in September, this time as prospective upper-classmen. They immediately started work by planning their float for the Homecoming Parade and at the same time, they prepared for their all-school dance, the first dance of the year. Big leaves, which looked like men, adorned the gym for the "Jack Frost Jive."

At Christmas the girls' homerooms sent cookies to Downey Veterans' Hospital. After recovering from semester exams, the sophomores and freshmen set out to plan the Frosh-Soph

Party. This was held in February.

The theme for the sophomore homerooms was safety. The students have seen several good movies on driver training.

After returning from Christmas vacation, the sophomores were very sad to learn that one of their classmates, Iver McKinney, had been killed in a tragic auto accident.

FRESHMAN CLASS

The first major project of the class of 1956 was planning and building a Homecoming float, which blew away. However, it was rebuilt in time for the parade.

This year's freshman class was so large that it had to be divided into three dancing classes. These classes ran from December through February. The freshmen "graduated" from the course just in time for the Frosh-Soph Party, which they helped plan.

In the spring the freshmen gave their first all-school dance "Springtime Magic" as the cli-

max of their first year. They also planned schedules for the next three years. Their parents had conferences with each student's homeroom advisor to help make plans for his remaining years at LFCHS.

An interesting subject taught in the homeroom is the flag code. This teaches the proper display of the flag, something which many people never learn.

ACTIVITIES OF THE PARADERS

Our first big activity together - - -

HOMECOMING

MUSIC

The music department of L.F.C.H.S. made its first appearance at our annual Homecoming when the band under the direction of Mr. Speidel, was a fundamental part of the parade and performed at the game.

The annual Christmas concert in December 10 found the orchestra and choruses performing with several special features. H. Lehmann, L. Kick, V. Petersen and P. Robb, along with J. Brennan were the vocal soloists. The newly formed string ensemble and the boys' octet, the "Townsmen," also performed. Among the selections the orchestra played, under the direction of Mr. Justice, were "Finlandia," by Sibelius, "La Vie Parisienne," by Dorati, and "Overture to Ballet Don Juan," by Gluck. The

string ensemble played "Etude," by Chopin, and "Czardas," by Monti. Among the numbers which the boys' chorus sang were the "Marines' Hymn" and the "Battle Hymn of the Republic," arranged by Fred Waring. Mr. Speidel's girls sang several numbers also. Among them were "Little David, Play on Your Harp," by Cain and "O Holy Night," by Strickland.

February 4, 1953, found the band and choruses in concert. The girls sang "S'Wonderful," by Warnach, "When Day is Done," by Lawrence, and "Agnus Dei," by Bizet. "Kentucky Babe," by Geibel and "Everyday Is Ladies' Day for Me," by Herbert were Mr. Justice's choice for the boys' chorus. The "Townsmen" selected "De Gospel Train," by Cain and "Bless

"This House," by Samuelson. Among the band's numbers were "Show Boy March," by Huff, "Tea for Two," by Youmans-Yoder, and "Commanding Officer March," by Frangkiser. V. Okubo presented a piano solo, "Pas de Fleur," by Delibes. "I Bring a Love Song" was sung by V. Petersen and "Carnival of Venice" was a clarinet solo by R. Reilly.

The second orchestra and chorus concert was held on April 17. "Come Sweet Death," by Bach, "Temptation," by Freed and Brown, and "Plink, Plank, Plunk," by Anderson were among the numbers played by the orchestra. The boys' chorus sang "Holy Lord of All" and "O What a Beautiful Morning." "Syncopated Lullaby," by Senn, "Alleluja," by Mozart, and

"Hold On," by Howorth were the selections of the girls' chorus. The mixed chorus made its first appearance singing "The Lost Chord," "My Bonnie Lies Over the Ocean," and "Set Down, Servant."

May 22 found the band and choruses giving their final concert of the year. The band played "Phantom Regiment," by Anderson, "Where or When," by Rogers and Hammerstein, and "The Merry Widow," by Lehar. The girls' chorus sang "Smoke Gets in Your Eyes," by Kern, and "Because," by d'Hardelot. The boys sang "Cool Water" and "Sound Off."

The music department took part at the music festival at Barrington on April 19 and 20. This was a new experience for all sections.

Your NAUTILUS staff has used the theme L.F.C.H.S. 'on Parade this year because it feels that life itself is a parade of many persons and events. The staff has worked hard all year to crowd between the covers as many scenes, activities and remembrances as possible so that this book may always be an illustrated history of the 1952-53 school year.

The staff is as follows: Janet Ritchuck—Editor; Walker Gilmer—Business Manager; Joan Bielat—Features; Lucy Beddla—Art; Jim Creath—Boys' Athletics; Ada Jane Hine—Music; Myra McMahon—Calendar; Deloris Busker—Senior Editor; Marilyn Kublank—Activities; Leslie Gilbert—Girls' Sports; Jim Cleveland—Snaps; Trudy Koppitz and Donna Gould—Typists; Gene Mayer, Betty Lou Felgar, Theresa Bentley, Barbara Rogge, and Nancy Erickson—Sales; Ellen Taylor—Assistant Editor; Larry Millikan—Assistant Business Manager; Miss Aurell—Editorial Advisor; Mr. Thiel—Business Advisor.

DROPS OF INK

B. Ryder, Sports Editor; J. Clemetsen, Circulation Manager; B. Mastri, Feature Editor; R. Green, Managing Editor; A. Luebbers, Sales Manager; M. Laechelt, News Editor; E. Schwerman, Head Typist; B. Druhan, Sales Manager.

Reporting all school activities of LFCHS and its students keeps the entire DROPS OF INK Staff very busy during the year. The highlight of the '52-'53 school year for the paper was their winning the high school division of the homecoming parade with their float bearing the slogan "We Knew You Were Coming So We Baked a Cake"—represented by a large white cake, topped with a pink candle and two chefs mixing up dough. Thompson's Men Store sponsored the float.

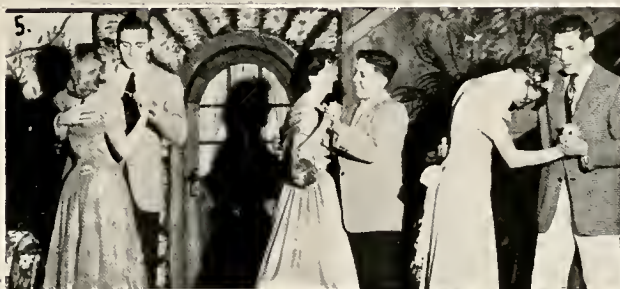

This year, Mr. Berkley's journalism classes drew

many freshmen, who, when they completed the course, joined the DROPS OF INK Staff.

Putting in many untold hours of work to get the paper out about once every three weeks were Ruth Green, Editor-in-chief; Martha Laechelt, news editor; Beverly Mastri, feature editor; Bill Ryder, sports editor; Ellen Schwerman, head typist; Art Luebbers and Barbara Druhan, sales managers; and John Clemetsen, circulation manager. Miss Cocks and Mr. Berkley, as advisors for DROPS OF INK give much advice and help to the staff.

In **Seven Keys To Baldpate** a young novelist, William Magee (Bill Newton), makes a bet with a friend, Mr. Bentley (Don Reinke), that he can write a complete novel in twenty-four hours. To do so, he goes to a summer resort, Baldpate, owned by Mr. Bentley, which is empty because it is winter. As there is supposed to be only one key to Baldpate, the novelist will be able to work in seclusion. The fun begins when Magee is interrupted six different times by people who also believe they have the only key to the

resort. However, the surprise ending reveals that the whole play, except for the prologue and epilogue, was merely a dramatization of the book Magee was writing.

The complete and fine cast under the able direction of Mr. Bergfald was as follows: Ed Naureckas, Midge Kramer, Bill Newton, John Clemetsen, Ann Uhrich, Myra McMahon, Jim Johnson, Leslie Gilbert, Tom Brick, Walker Gilmer, Gene Mayer, Bill Ryder, Charlie Butterfield, and Don Reinke.

SOCIAL COMMITTEE

The Social Committee holds its meetings at least once a month under the direction of Miss Jorgensen. This committee plans all the dance programs of our school and helps wherever possible to improve our social life in general. The presidents of the four classes and one representative from each homeroom comprise the Social Committee. At Christmas-time the Social Committee decorated all the doors of the school with pine cone hangers and in January helped to sponsor the March of Dimes Campaign.

President	Jim Creath
Vice-President	Larry Kick
Secretary	Della Bond
Treasurer	Gene Nemmers

STUDENT COUNCIL

The Student Council, under the leadership of Mr. Bechtold, meets every Monday morning from 8:00 to 8:45. This group, composed of one member from each homeroom and the vice-president of each class, helps to promote activities for the interest of the entire school. The Student Council helped to sponsor the Homecoming Queen this year, co-sponsored the March of Dimes campaign, and took charge of Senior Day. In addition they also publish the Handy Hints booklet each year.

FRENCH CLUB

The French Club has its meetings scheduled for the last Friday of every month. Miss Saunders is the teacher sponsoring this club. The aim of the French Club is to learn to speak French more fluently and also to learn more about the language itself. Their project for the year was to collect food for the Lake Bluff Orphanage at Thanksgiving time. All students taking second year French are eligible to be members of this club.

Vice-President	Tony Lincoln
Secretary	Judy Cavalier
Treasurer	Dick Carson

LATIN CLUB

The Latin Club is sponsored by Miss Cocks. All students of second year Latin are members of this club which meets the last Friday of each month during the regular class period. Through reports, skits, records, songs and games the group gains in an informal manner a more thorough understanding of Roman life, customs, and language and becomes better acquainted with ancient mythology.

The L Club holds its meetings once a month under the direction of Mr. Kelton. The purpose of this club is to support all athletic endeavors. This year the L Club has succeeded in paying off its debt of six hundred dollars on the movie camera by sponsoring a Texas Cowgirl basket-ball game and selling candy during the Christmas tournament. In March they gave a box social for the whole student body. The L Club will consider a gift to be given to the athletic department from the proceeds of this box social.

In order to qualify for membership in the L Club, each member must earn a major letter.

COLOR GUARD

The Color Guard is an honorary position. To be eligible for membership, a girl must be one of the six high point winners in GAA for the current year and a member of the sophomore, junior, or senior class. A faculty committee makes the final selection of three girls on the basis of posture and appearance. The Color Guard functions mainly at athletic events.

Record:

Injuries played a very important part in this year's varsity football results. During the season the team lost four regular players, and several more players were hampered by being hurt. At mid-season, however, the hard work and desire to win overcame this handicap. After a victory over previously undefeated Palatine, the Wildcats went on to win three games in a row. This included an upset victory over Crystal Lake at Homecoming. The Libertyville Wildcats ended the 1952 football season with a one point defeat to Woodstock, the conference champions.

Another big factor in this year's results was a shift from the double-wing formation to the T-formation at mid-season. After the last game of the year, many agreed that the Wildcats had as good a team as any in the conference. This was shown when an all-conference team was picked by the coaches, who placed D. Kay, B. Mackey, and J. Ray on the first team; and B. Graham on the second team. All things considered, the team had a successful season.

As usual the Libertyville Junior Varsity football team had a successful season. Warren was the only team that was able to defeat it. The Wildcats opened the season with a loss to the Warren J-V's and then went on to win five in a row before ending the season with a loss to Warren. Some of the outstanding players were quarterback Dick Weidner, halfback Jack Graham, and end Tom Jensen.

Even though this year's freshman football team didn't have a very good "win and lose" record, some of the boys looked very promising. Next year these boys will be a fine addition to the Junior Varsity and Varsity teams. A few of the outstanding players were halfbacks Jim Gustafson and Chuck Brecken, ends "Cob" Miller and Romeo Mura, and tackle Bob Van Landuyt. The team was led in scoring by Gustafson with 24 points.

Varsity Basketball

With an over-all record of 15 wins and 10 losses, the 1952-53 varsity basketball team had a successful season. In conference play their 8 won and 6 loss record was good for a third place tie with Woodstock. The champion was Barrington who didn't lose a game in conference play. Of the teams that played the Wildcats more than once, only two teams, Barrington and Warren, were able to defeat them twice. This shows how inconsistently the team played. Some nights they played like champions and other nights they might be very disappointing. Perhaps the best game as far as a close and well-played game was the Wildcats 60 to 53 win over Antioch. Antioch won its conference championship. Libertyville also played very well against Barrington in their second meeting. The Wildcats were ahead as late as the third period but then faded badly in the last quarter to lose 65 to 49. Outstanding for the team was Jim Pinkstaff, guard, who set a new over-all scoring record for the school by scoring 448 points, which broke George Newman's record, 322, of last year. Also outstanding was captain Doug Kay, who totaled 376 points. In conference scoring Pinkstaff was second and Kay third. Pinkstaff and Kay both made the first team all-conference.

BASKETBALL

Frosh-Soph Basketball

The 1952-1953 Frosh-Soph basketball team, coached by Kelly Cox, had an overall record of 10 wins and 12 losses. Their conference record was 5 wins and 9 losses. The team had good scoring punch most of the time, but their defense was not very strong. Probably the best game that the Wildkits played was a 65 to 53 victory over Crystal Lake. In this game Gene Eiserman set a record for frosh-soph points in one game with 27, and Dick Weidner had 24. Weidner also set an all-time high for frosh-soph points in one season with 245. Eiserman, who started the season with the varsity, had 205 points. These boys should be a good addition to next year's varsity team.

Frosh Basketball

This year's freshman basketball team finished the season with a record of nine wins and five losses. The team, coached by Mr. Lakin, defeated every team at least once except the powerful Crystal Lake team. Even though Warren had a very strong team, the Libertyville frosh defeated them twice although both games were very close. The outstanding players were guard, Jim Gustafson, and center, Romeo Mura. Gustafson led the team in scoring with 160 points, while Mura was second with 142.

BASEBALL-1952

BILL YOPP
Captain

Getting off to a good start, the 1952 Varsity baseball team had a very successful season. By winning five out of nine games, the Wildcats took third place in the conference. The champion was Woodstock and the runner-up, Crystal Lake. The team, trained by Coach Sanders, showed good balance and team work. This was very evident in the close games won by the Wildcats. The team had several outstanding players. Captain Bill Yopp played well at short-stop and also as a hitter. Catcher Doug Kay led the team in batting with .296. The pitching was provided by George Newman, who won six games and lost three. The outlook for 1953 is fairly bright considering that there are eight returning lettermen.

Due to the fact that there wasn't any organized league for Frosh-Soph teams, only three games were played. The experience acquired in these games will definitely help those players when they try out for the varsity team. After losing their first two games, the team, coached by Mr. Cox, looked good when they beat Warren in the last game. Outstanding for the Frosh-Soph team were Bill Newman, Bruce Rouse, Larry Brickert, and John Vondracek.

Lake County Meet:

Libertyville fifth place with 21 points

The Varsity track team, as usual, had a good season, winning six of the eight dual meets. Both losses were to Lake Forest, the conference champion. The Wildcats' ability to score was shown when they twice went over the 100 point total in dual meets. In taking third place in their division at the Palatine Relays, the team showed it also had depth. Next came the conference meet in which Libertyville placed third just barely being nosed out by Crystal Lake for second place. The season ended at the Lake County meet where the Wildcats finished fifth with 21 points.

Some of the outstanding members on this year's team were Joe Ray, in the hurdles and dashes, who also led the team in scoring with 156 points; Roger Petersen in the jumps; Jesse Holsinger, in the dashes; Dennis Reardon, distance; and Lloyd Brown, in the dashes.

The frosh-soph track team was undefeated in several dual meets this year. They won all their meets by at least twenty points. This shows what a successful season they had. The team reached its peak in the last dual meet of the season when it crushed Grayslake, 95 to 8. In the conference the frosh-soph quarter-mile relay team came in fourth.

The outstanding boys were Tom Andrews, in the dashes; broad jump, and weights, who also led in points with 152½; Larry Ray, in the high jump and hurdles; and Dave Poulton, in the dashes and high jumps.

Girls' Athletic Association

G.A.A. is an organization comprised of girls who are interested in sports. A variety of sports is offered to girls participating in this program. They are given a chance to play team sports as well as to take part in individual activities. Each girl belonging to G.A.A. must fulfill certain standards set up by the organization.

G.A.A. began the fall season with speedball, soccer, tennis, and bowling. During September, Warren held a play day which Libertyville at-

tended. The girls from each school participated in the above sports. Also in September, each freshman girl was introduced to G.A.A. by her "Big Sister." This took place during the Big and Little Sister Party, where games were played and refreshments served. Homecoming also falls in this fall season. G.A.A. came out in flying colors with a float to the tune of "Turn Back the Hands of Time." A group of teachers selected the Color Guard from the top point-makers in G.A.A. The girls were chosen on

G. A. A.

the basis of posture and the number of points earned. The season was ended by the Senior Banquet entitled, "Pumpkins on Parade." Everyone came in masquerade and had a wonderful time.

Old Man Winter blew his cold breath on us so G.A.A. moved indoors for basketball, which continued until spring. One of the first winter events was the Mother-Daughter Christmas Tea held in the high school gym. Refreshments were followed by a Christmas play and Christmas carols. Our next event was the State Bowling Tournament in which Libertyville proudly scored eighteenth out of fifty-four entries. The new members must not be forgotten. They were initiated in a candlelight ceremony following the Sophomore Supper. The sophomores did

an excellent job on games and refreshments, and everyone enjoyed the supper plus initiation.

March started the spring season which brought in baseball and tennis. Before beginning these sports, however, the basketball season closed with the basketball shooting contest and all-star basketball games. The dads always remember this season, as their daughters treat them to a night of vigorous activity at Dad's Night. This year Libertyville played hostess to ten schools in a play day held at Libertyville. Our last event of this season and the year was the "Junior Farewell to Seniors" Banquet. After dinner, the awards for the year were given to deserving members by Miss Bond. Miss Bond has been the G.A.A. adviser, and all the girls are grateful to her for a wonderful year of sports and fun.

SEPTEMBER

8—The parade began with the frosh jumping the gun on us. They got to school a day earlier.

9—The following day we marched into our halls only to find some new celebrities. They are Mr. Gish, science; Mr. Grayson, English; Miss Reed, home economics; Miss Reichert, commerce; and Miss Saunders, French.

12—The drums sounded and the horns played as we watched our first pep meeting. Coach Sanders introduced our football team.

13—A victory for L.F.C.H.S. We triumphed over Dundee, 26-0.

17—Is this a high school or a hospital? Some of our football players look as if they've been through the "Battle of the Bulge."

20—The parade marched on as we tied our game with Zion, 0-0.

25—Why is all that paper flying through the air? It seems that the "Big Sisters" are busy passing notes to their "Li'l Sisters."

26—Hurrah! School closed at 2:30 so that we could go over to Lake Forest. By the way, we lost the game, 12-7.

28—The frosh are losing the dazed look. It seems they are getting accustomed to the routine.

OCTOBER

1—Here comes the first float carrying Pat Scanlon and Shirley Vohasek, who were judged as the cutest little sisters at the Big-Little Sister Party.

2—The whole school selected seventeen senior girls to run for the Homecoming Queen. The lucky gals were Lois Becker, Leslie Gilbert, Joan Bielat, Helen Cazal, Dolores Geissberger, Marianne Gilles, Mary Hernandez, Ada Jane Hine, Coleen McRae, Alice Schultz, Ellen Schwerman, Celia Ullrich, Ann Uhrich, Marilyn Weidner, Gail Williams, Gwen Williams, and Marge Williams.

11—Queen Leslie reigned over the Coronation Dance, which was sponsored by the Jaycees. Lois Becker, Joan Bielat, Mary Hernandez, and Celia Ullrich were her court.

16—The annual "before homecoming" pep meeting started with the senior girls in their p. j's. They gave a take-off on the poem, "Twas the Night Before Christmas."

18—Homecoming at last highlighted with the parade, game and alumni dance. "Drops of Ink" float took first prize in the parade.

25—The soph dance, "Jack Frost Jive" turned out to be a winning event.

29—The senior girls sponsored the G.A.A. banquet, "Pumpkins on Parade."

NOVEMBER

1—The parade ushered in the first day of November with the last game of the season. We lost to Woodstock, 21-20.

4—"As Libertyville High goes, so goes the nation." In a mock election Eisenhower won two to one over Stevenson. The civics class conducted the election.

5—The parade was halted while open house was held to explain about the new school. The teachers met our parents as we students nervously wondered what they were saying about us.

11—Armistice Day found our halls free from students.

20—The Music Club gave their first recital featuring solos and ensemble groups. Everyone agreed these recitals should be continued.

21—We lost our first basketball game to Palatine. An after-game dance followed, sponsored by the French Club.

22—A highlight of the parade was the game in which the coaches beat the Texas Cowgirls. It was a case of beauty against brawn!

24, 25, 26—The juniors proved to be successful actors when they presented the junior play, "Growing Pains", by Aurania Roveral.

26—Pruth McFarlin made a repeat performance at our first assembly. Everyone enjoyed hearing him again. He sang a group of songs featuring folk tunes, spirituals, and popular melodies.

Fashion note to the girls—To be in style you must cover your legs with knee socks this year.

DECEMBER

1—The parade is brightened by our first snowfall.

3—Joseph Harding, a violinist, entertained the student body at our second assembly. He and his pianist were well received by all.

5—The drums went bang and the cymbals clanged when we beat Lake Forest. G.A.A. sponsored an after-game dance which was highlighted by a tumbling act featuring Gil Brinkmeir and Bob Sullivan of the University of Illinois.

10—L.F.C.H.S. proved to have a number of good musicians when the music department presented their mid-winter concert.

11—The F.H.A. girls entertained the faculty at a turkey dinner. Fellows, keep your eye on those gals. They can cook!

13—The gym was beautifully decorated in a winter theme for the senior dance, "Sno-Ball."

17—Hurrah! The last day before Christmas vacation. A Christmas play, "Sign of a Star," was presented by members of the dramatics' classes. This was a familiar comment, "Oh Evelyn, this is my fifth party today."

22, 23, 26, 27—Libertyville was host to the Christmas Holiday Tournament. Warren captured the title, while we came in third.

Fashion note to boys—This season the new trend is to wear your father's hat with a pheasant feather sticking in the band. It is also silly to wear belts, as a clothes-line tied around the waist will serve the same purpose.

25—A very merry Christmas to all.

JANUARY

3—The student body was stunned to hear of the tragic accident which occurred during the holidays. Two of our fellow students, Henry Steffan, a senior, Iver McKinney, a sophomore, and Wayne Schultz, of the class of '52, were killed in an automobile accident.

5—The school year marches on as we come back to school after our vacation. An assembly was presented by Manette and Maurice Davis, who performed in a trampaline and bicycle act. Walker Gilmer and Charlie Butterfield assisted the performance by sailing around the gym floor on a midget bike. Other students also tried the trampaline.

9—We senior girls were biting our nails when we had tryouts for the senior play.

16—Following the Barrington game (which we lost) the Library Club sponsored an after-game dance highlighted by a cake walk. Many delighted shrieks were heard when winners picked their cakes.

17—The "L" Club had a roast beef dinner. (Food seems to be one of their favorite indoor sports.) Mr. Muckle addressed the group at this meeting.

20—Our halls were a bit empty when President Eisenhower was inaugurated. It seems that Mary Davis and the Williams twins had practically the whole school at their homes to watch the affair. I'm sure this is one student body that agrees with the people who think inauguration day should be a national holiday.

22, 23—"Oh, I'll never be able to memorize all that English. I can't even remember Shakespeare from Milton!" You've guessed it . . . semester exams. Now the teachers can find out the culprits who have been sleeping through classes during the first semester.

24—The old gym looked good enough to eat when the juniors gave their dance "Candy Capers". In fact, the candy suckers hanging on a tree were very edible. Just ask anyone who went to the dance.

28—Why are so many walking around as though they were going to break in two? They either have a rare disease of the bones, or have been in a wrestling match, or have been tobogganing at the Youth Center party.

29—The parade halts before the game. What game? Why, the benefit basketball game for the March of Dimes. The faculty men whipped the senior boys, 71-31. Oh, by the way, we made \$280.29 on the game.

30—"Yea! rah!" cheer the Libertyville spectators as the 'Cats beat Lake Forest. After the game, many attended the dance at the Youth Center.

FEBRUARY

4—The parade starts off the month of February on a musical note as the band presents its concert.

5—Margo Mackey's and Virginia Okubo's names were presented to the American Field Service. One of these girls will be chosen to tour in Europe. We are very fortunate to have an exchange student, Esko Harajama this year. The students have enjoyed his visit here and will miss him when he returns to Finland.

6—G.A.A. presented a mock basketball game at the pep meeting. It did some good as we beat Warren that night.

9—That photographer certainly is a patient man as he attempts to take our group pictures.

11—G.A.A. welcomed their new members into the organization. The sophs sponsored the after school activities and supper. An impressive candle lighting ceremony followed.

20—The two junior homerooms that sold the most tickets to their play were treated to a potluck dinner by the losing homerooms. They had a class basketball game after the dinner. Guess it pays to win in a contest.

21—The freshmen and sophomores had their dance which was high-lighted with square dancing.

23, 24, 25—The seniors proved to have quite a number of Helen Hayeses and John Barrymores when they gave their play, "Seven Keys to Baldpate."

26—The sophomores have been walking around with their hair standing on end while waiting for their T.B. tests. It didn't hurt much, did it?

27—We had a half day vacation as the teachers met at Highland School.

28—A group of seniors attended a "Northwestern Day" to take a look at the school.

MARCH

4, 5—In the tourney at Antioch we beat Ela our first night, but lost out to Maine the following day.

6—The board members were elected for senior day. Walker Gilmer, Ada Hine, Bob Winje, Ellen Taylor, Larry Kick, Carol Gruner, and Peter Lea were chosen. They will see that senior day runs efficiently.

12—The newly formed Conservation Club held its first meeting.

14—It seems that Libertyville is supporting Chevy Chase. The thing to do is to go there to dance.

16—The parade took on an Arabian accent when Litia Namoura performed authentic dances of Arabia, Burma, and Spain at a school assembly. Community concert goers were highly entertained when they heard Alec Templeton in his concert.

18, 19—All dads were "Stars for a Night" when they attended the annual G.A.A. Father-Daughter Night. I guess the dads were pretty stiff the next day. Except for a few bruises, it was a successful night.

10—Hurrah for the Coca Cola Company! They gave us free cokes at lunch time.

20—We had a one day vacation because the teachers attended teachers' institute at Zion, Illinois.

27—The L Club had its box social. Everyone had a good time and agreed the food was delicious.

28—"Vote for Jean for Veep." The whole school is campaigning like mad for our school elections.

Mr. Gish and Rita confer

APRIL

1—The Conservation Club held its second meeting to decide on officers. This club, supervised by Miss Jorgensen, was formed for those vitally interested in nature and conservation of natural resources. Their future activities include going to Morton Arboretum, planting trees, making a nature trail at the new school site, going on field trips, and sending delegates to a state conservation meeting at DeKalb. Members are Gwen and Gail Williams, Helen Hendricks, Carolyn Taylor, Marjorie Williams, Martha Laechelt, Walker Gilmer, Esko Harjaama, Dick Lichtfeld, Charles Butterfield, Jerry Stoller, Kathryn Rouse, Helen Alkofer, Mary Snyder, Peggy Austin, Edward Sowa, Ross Shellenberger, Jim Mills, George Schmidt, and Harold Dortch.

2—A scientific talk, "Out of This World," was presented by Robert Edgar at a student assembly. The students found the subject very interesting.

3,6—We had two days off from school as our Easter vacation.

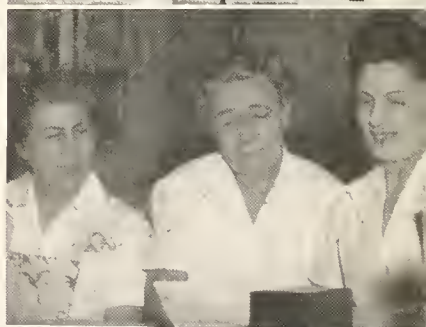

18—Ten girls attended girls' conference in Chicago. The girls were Gail Williams, Gwen Williams, Ada Jane Hine, Joan Bielat, Nancy Ward, Pat Schrade, Barbie Druhan, Carole Meyers, Joan Bannes, and Carol FitzSimons. The title of the conference was "Let Your Light So Shine."

21—Our parents came to school to have a round table discussion with the teachers. We sat home wondering what they were saying about us.

24—We can be proud of the frosh. Young as they may be, their spring dance, "Springtime Magic," was a big success. The old gym looked like a day in May.

25—G.A.A. was hostess to a playday as ten neighboring schools attended. The day was filled with sports with time off for lunch.

Deciding on delicious food—Mrs. Creath, Mrs. Andrews, Mrs. Derer

MAY

1—Talent was discovered among the students! We had a student assembly which we all found very entertaining.

2—As the parade neared the end, school elections were held. Harold Dortch, Jack Graham and Carol FitzSimons will be the presidents of the future senior, junior and sophomore classes.

3—The cornerstone for the new high school building was laid at three o'clock this afternoon. Members of the Board of Education, the school staff, representatives from the students, and officials of both Libertyville and Mundelein took part in this impressive ceremony.

7—The seniors ruled the day during senior day. Officers chosen were principal, Bob Winje; assistant principal, Gene Nemmers; business manager, Walker Gilmer; secretaries, Myra McMahon, Alice Schultz; cooks, Helen Cazal, Ruth Green; janitors, Charles Butterfield, Bill Graham, Art Luebbers and Bill Ryder. Everyone said the senior teachers were harder than the real ones.

23—The juniors presented the seniors with the Junior Prom held at the Hotel Moraine in Highland Park.

27—GAA said goodbye to the seniors with the Junior Banquet and the presenting of awards.

29—The girls' chorus line was a great addition to the seniors' class night. All the seniors had a great deal of fun in their last activity together!

31—Baccalaureate was a very solemn occasion for all the seniors. It gave each of them a great deal to consider and much inspiration.

JUNE

2—The whole school gathered outside for Ivy Day. Our class president, Bob Winje, presented the ivy to next year's senior class president, Harold Dortch.

3, 4—Today is when the underclassmen really envy the seniors. Why? That's easy! Any senior with an A or B average for the second semester gets out of the exams!

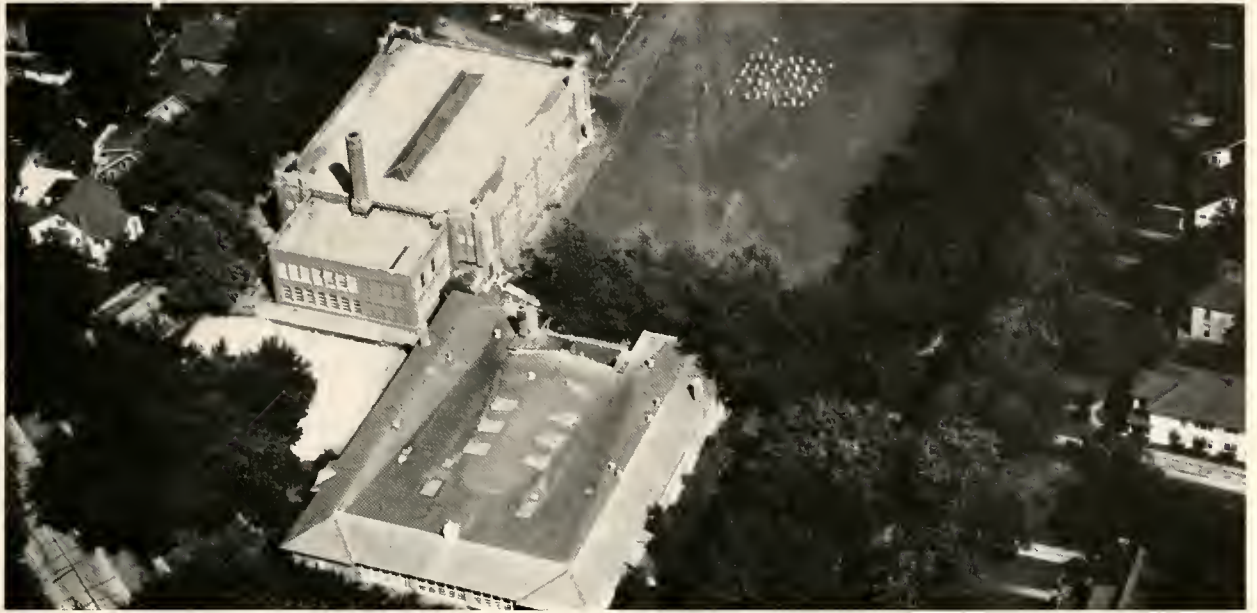

It has been the practice to print the honors for the year in the next year's annual. Such is the case with last year's honors. Those receiving the American Legion Award were Robert Porter, Barbara Edman, James Hastie, Barbara Fugette, and Jean Fugette. Margaret Faulkner and Robert Bracher were the recipients of the Frank G. Hough Award. The Newsom Award was received by George Newman and Helen Carlson. National Honor Society students were Frank Underbrink, Marcia Smith, George DeGrazia, Doraleigh Poulton, Kenneth Olendorf, Donald Granbois, Barbara Edman, Ann Billings, Robert Porter, Ray Neiman, William Yopp, James Hastie, Barbara Fugette, Jean Fugette, Virginia Riley, Dennis Reardon, Mildred Newhart, and Dan McCormick.

5—The beat of the marching music becomes slower as we, the seniors, realize with mingled excitement and regret what day it is. Tonight is graduation! We have spent four wonderful and eventful years in high school.

EPILOGUE

As Libertyville-Fremont High passed in review this year to the rhythm of the band, we were the paraders: we cheered at football games to give the parade pep—built floats—were on committees—joined clubs for marching activities—sold tickets—saw plays—studied for semester exams—decorated for dances. Without realizing it we formed—all of us together—one of the greatest parades we'll ever know—one of much excitement, full of discoveries, of new made friends, of sorrows—but especially one of memories—memories of events and personalities that will always make the strains of the 1952-53 marching music return.

You—the marchers—have paraded by quickly. We—of the NAUTILUS staff—have marched with you—ever recording in order that these remembrances of fun and good times may return—return and remain with you whenever you read this book.

"Jahn & Ollier Again"

A familiar and reassuring slogan

FAMILIAR...because it has appeared in thousands of the country's finest yearbooks for the past half century.

REASSURING...because those years of specialized experience bring complete service, outstanding quality and dependable delivery to the yearbook staffs, with whom we work.

Graduates - - -

We here at Keystone are proud of the fact
that we had a part in producing your yearbook.

For a great many years we have been
privileged to work with schools throughout the country
in the rewarding task of compiling class histories.

The school annual, which captures within its pages so many
happy school day memories, is one of the most
cherished products of the printing industry.
